Katun PN & OEM PN: See Page 2

Katun is pleased to announce the release of this top quality toner cartridge for use in Kyocera Mita color printers

The introduction of this Katun Performance™ color toner cartridge set for use in the very popular Kyocera Mita FS-C5350 DN machines adds to Katun's growing product offering for use in Kyocera Mita printers. These toners provide the ideal combination of cost-savings and high-quality performance for dealers and end-users looking for OEM alternatives. To enable full compatibility with managed print systems (MPS), these new-build Katun Performance™ cartridges come standard with a chip, similar to the OEM cartridge.

Benefits:

◆ **Toner Performance You Can Trust**
This Katun Performance™ color toner cartridge set has been developed and rigorously tested to provide outstanding image quality, color reproduction, and page yields. You'll receive industry-leading performance from this reliable and profitable OEM alternative.

◆ **Reduce Your Supplies Costs**
Every business, whether large or small, is looking for ways to gain a competitive advantage. These toners offer OEM-equivalent performance at a significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction.

◆ **Consistent Quality and Performance**
This new-build OEM-equivalent toner cartridge set is the result of Katun's commitment to quality and provides the outstanding performance and remarkable print quality that is synonymous with the Katun Performance™ brand.

◆ **A Growing Line You Can Count On**
Katun's line of products for use in Kyocera Mita printers continues to expand with the introduction of this highly anticipated new color toner cartridge set. Kyocera Mita dealers who have successfully utilized previous Katun monochrome and color toner cartridges because of consistent performance, high print quality and significant cost savings, will be equally satisfied with these new Katun color toner cartridges.

Machine Overview

In 2009, Kyocera Mita introduced the ECOSYS FS-C5300-series printers. These machines are suitable for offices looking for a machine that will provide cost effective printing. Delivering print speeds up to 32 ppm and are 8.5 seconds to first-page-out, offices will have fast print speeds without sacrificing energy efficiency with the new ECOSYS technology.
