Katun® Performance™ Colour Toner for use in

Lexmark CX310/510-series

Printers
Katun PN: See Page 2 • OEM PN: See Page 2

These Katun color toners provide outstanding print quality and performance in Lexmark CX 310/510 series printers!

Dealers servicing Lexmark printers have new profit opportunities: Katun® introduces a group of remanufactured color printer toners for use in Lexmark printers. These Katun Performance™ color toners provide outstanding performance, remarkable print quality, excellent color reproduction and significant cost savings. As these printers are still actively being sold by Lexmark, these toners provide dealers with both immediate and long-term profit opportunities.

Benefits:

◆ **Choose Katun Toner for Consistent Quality and Performance**
You can trust Katun – these new color toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:
• Image quality & colour reproduction
• Yields
• Fusing performance

◆ **An Easy Way to Increase Profits – Now and in the Future**
These toners offer outstanding performance at significant cost savings, which means you can improve your profitability without sacrificing quality. Additionally as these printers are still actively being sold by Lexmark, the new Katun color toners provide dealer with immediate and long-term profit opportunities.

◆ **A Seamless Transition for You and Your Customers**
These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance toner seamless for your customers. All Katun Performance toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **A Growing Line Gives You the Power of Choice**
Katun offers a comprehensive line of toner cartridges for use in today's most popular Lexmark monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small. Why choose OEM products when a better value exists?

KATUN®

Imaging the World in Color™

Machine Overview

Introduced in 2012, this series of 23-30 ppm multifunctional devices is ideal for small to mid-sized workgroups that require full color functionality in a small sized device.
