

Katun Performance™ Monochrome Toners for use in

Various Lexmark MS and MX-series

Printers & MFPs

Katun PN: See Page 2 • OEM PN: See Page 2

This Katun monochrome toner provides outstanding print quality and performance in Lexmark MS and MX-series printers!

We've added to our growing line of high-quality monochrome and color toners for use in Lexmark printers and MFPs. These remanufactured Katun Performance™ monochrome toners provide outstanding performance, remarkable print quality and significant cost savings.

Benefits:

◆ Reduce Your Supplies Costs

Increase your profits immediately – and in the future – by switching from OEM toner to Katun toner.

These products offer excellent performance at a significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction. Although some of these devices are no longer sold by Lexmark, machines in the field are likely to exhibit longer-than-average machine lives due to their track record of durability and infrequent performance issues. Switch now to improve your long term profits!

◆ Rigorous Testing Ensures Great Value

You can trust Katun – these monochrome toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner plus excellent image quality, image density, OEM-equivalent yields and outstanding fusing performance.

◆ Consistent Quality and Performance

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. These toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ A Growing Selection for Lexmark Machines

Katun offers a growing line of toner cartridges for use in the most popular Lexmark monochrome and color printers and multifunctional equipment. Plus, we offer a wide selection of products across multiple OEM lines, making Katun your ideal MPS partner.
